

This block contains architectural drawings for a building project. It includes:

- Elevations and Sections:**
 - Top left: Elevation of a building facade with a red staircase and a red roof structure.
 - Top right: Section drawing showing a staircase and roof structure.
 - Middle left: Elevation of a building facade with a red staircase.
 - Middle right: Section drawing showing a staircase and roof structure.
 - Bottom left: Elevation of a building facade.
 - Bottom center: Elevation of a building facade.
 - Bottom right: Elevation of a building facade.
- Tables:**
 - Top right: A table with multiple columns and rows, likely a schedule or specification table.
 - Middle right: A table with multiple columns and rows, likely a schedule or specification table.
 - Bottom right: A table with multiple columns and rows, likely a schedule or specification table.
- Other Elements:**
 - Three small diagrams labeled "ALTERNATIVA" (Alternative) showing different design options.
 - Three small diagrams labeled "ALTERNATIVA" showing different design options.
 - Three small diagrams labeled "ALTERNATIVA" showing different design options.

This block contains architectural drawings for a building project, including a site plan, floor plan, and roof plan.

- Site Plan:** Located at the top right, showing the building's location relative to surrounding streets: "RUA CEL. JOAO CARNEIRO", "RUA VIGOROSO DO RIO BRANCO", and "RUA CEL. ESTANISLAU LEITE".
- Floor Plan:** Located in the center, showing the building's layout with rooms, corridors, and a staircase. Red dots are scattered throughout the plan, possibly indicating specific features or materials.
- Roof Plan:** Located at the bottom right, showing the building's roof structure and layout.
- Other Elements:**
 - Bottom left: A small diagram labeled "PLANTA TUBOS" (Pipe Plan).
 - Bottom right: A small diagram labeled "PLANTA DA COBERTURA" (Roof Plan).
